Dear Dr. Crow:

Did you by any chance take with you our only copy of the record of the Sunday meeting? Dr. Lederberg can't locate it, and he thought you might have put it in with your papers, not realizing that it was just the first quick pass which hadn't even been xeroxed. If you have it, may we have it back?

Sincerely,

P.S. Dr. Lederberg asked me to tell you that he thinks Haller will accept.

*You're so right!
I'm very sorry. I'll get
new glasses.*
